

## AGM Proposals received from the League Controller

These would necessitate changes to sections 4(2)(f) and 4(2)(h) of the Constitution

### Proposal 1

Contact is to be by email. It is the captain's responsibility to give the League Controller a valid email address. This can be their own or a designated person's. It is the captain's responsibility to ensure that the rules in Proposal 2 can be met even at times of holidays, etc.

### Proposal 2

Matches - both leagues and the Whitaker - to be played on either

- a. the Saturday fixture date
- b. the Saturday before or the Saturday after
- c. the home teams club night before or after the fixture date

The South league does not include the Saturdays, so only c) applies.

The home team should contact the away team at the latest on the Saturday 3 weeks before the fixture date. If a date cannot be mutually agreed then the following applies.

At least 2 dates should be offered by the home team in accordance with a) to c) at least 2 weeks before fixture date. The League Controller must be cc'd. The away team should select one of these dates at least 1 week before the selected date. Again, the League Controller must be cc'd. All this must happen. It cannot be changed even by mutual agreement.

### Proposal 3

If a team defaults on 2 matches they are removed from the league and all results removed from the League tables. In this case 'default' means that either a match is not arranged in accordance with Proposals 1 and 2, or no players turn up on the agreed date.
