GRADINGS

The January 2022 ECF grading list will be used unless players without a grade in this list have a grade in the August 2021 list.

Grading history and other sources may be used to place a player in a higher section. Players without a current grade must give their last published grade and the year of publication. Failure to disclose will result in disqualification.

The highest published grade must be used for Yorkshire / Non-English players, ECF 'F' grades have a lower priority.

Adult players (over 18 years of age) without a grade/history may only enter the Open section. Ungraded Juniors must give a full indication of their strength.

Players with grades/ratings that are not in the public domain must supply a signed photocopy of their grading/rating.

The Director reserves the right to place any entry whose grade cannot be verified into the section of his choice.

It is a condition of entry that players agree to their grading information being published on the ECF Website. Players not wishing to have their details published on the ECF Website should contact the ECF Office directly. All results will be sent to the ECF for grading in the ECF Grading List.

The last date for entry is Wednesday March 9th 2022. Players should check the website to confirm entry. No entries accepted after this date. No telephone entries accepted at any time.

REFUNDS

Players who withdraw and request a refund must do so in writing before 28 February 2022. If a refund is approved by the organisers, the entry fee may be returned less a £5 administration fee. Withdrawals after this date will not be eligible for a refund.

CATERING OPTIONS FOR THE CONGRESS

Following on from constructive comments made by players last year.

To make life easier all round regarding ordering lunches, the Imperial will have a few lunch options available, one of which will be packed lunches.

The Hotel will have an order point available at which the players can place their orders in advance. So, order Friday for Saturday and on Saturday for Sunday – no problem if a player wants to order Friday for both days.

The Hotel will take payments from the players at the time of ordering.

The menu offered will be arranged closer to the event. If you provide an email with your entry this can be emailed out to you before the congress.

IMPORTANT: No food or drink to be taken into the premises.
